

# Video – Identifying Potential and Programming Effectively

Presentation at the

Keys to Special Education Conference on April 9, 2016

Link to Video – [Identifying Potential and Programming Effectively](#)

Joe Trovato, Psycho-educational Consultant, ErinoakKids Centre for Child and Youth Development provides information about the elements of a psycho-educational assessment and how assessments support student success. Joe is a parent of child with special education needs and has many years of experience in assessing students and helping families and schools to support students.

Handout for the presentation:
